Salisbury, MA 01952

nationalgrid

“ National Grid’s utility safety training is a great course and ideal for first responders like me. I appreciate National Grid’s commitment to safety and for offering this valuable training program. ”

Mike Daniels
Firefighter/Paramedic, Westborough Fire Department

Smell Gas. Act Fast.

To report emergencies, call **911** and **National Grid** immediately.

Gas emergencies:

Massachusetts **911 and 1-800-233-5325**

Rhode Island **911 and 1-800-640-1595**

New York

Long Island and the Rockaways: **911 and 1-800-490-0045**

Metro NY: **911 and 1-718-643-4050**

Upstate NY: **911 and 1-800-892-2345**

Electric emergencies:

New England **911 and 1-800-465-1212**

Upstate New York **911 and 1-800-867-5222**

Knowledge can be the difference between an incident and a disaster.

Whether your team is responding to a fire, accident, crime code or medical emergency, ensuring public safety is the first order of business.

National Grid’s First Responder Utility Safety Training is a free, self-paced training program. It makes sure that you – and everyone you ride with – can quickly, safely and confidently deal with any natural gas or other utility-related hazard you might encounter.

Get started today!

1. Register at firstresponder.ngridsafety.com.

Once you create your user ID and password, you’ll be able to access all the e-learning modules and resources.

2. Progress at your own pace, on your own schedule.

Begin your utility safety training, one module at a time.
