

First Responder Utility Safety Training Program

The training is free. In an emergency, it could be priceless.

Whether your team is responding to a fire, accident, crime code or medical emergency, ensuring public safety is the first order of business.

National Grid’s First Responder Utility Safety Training is a free, self-paced training program. It makes sure that you – and everyone you ride with – can quickly, safely and confidently deal with any natural gas or other utility-related hazard you might encounter.

Get started today!

1. **Register at firstresponder.ngridsafety.com.** Once you create your user ID and password, you’ll be able to access all the e-learning modules and resources.
2. **Progress at your own pace, on your own schedule.** Begin your utility safety training, one module at a time.

“National Grid’s utility safety training is a great course and ideal for first responders like me. I appreciate National Grid’s commitment to safety and for offering this valuable training program.”

Mike Daniels, Firefighter/Paramedic
Westborough Fire Department,
Massachusetts
