Salisbury, MA 01952

nationalgrid

“ This program represents a strong commitment by National Grid to provide critical information to first responders. The website is an interactive resource that equips first responders with electric and natural gas safety information that can make a real difference on the incident scene. ”

Brian P. Duggan

Veteran commander, Northampton and Northborough Fire Departments, Massachusetts

To report emergencies, call **911** and **National Grid** immediately.

Gas emergencies:

Massachusetts **911 and 1-800-233-5325**

Rhode Island **911 and 1-800-640-1595**

New York

Long Island and the Rockaways: **911 and 1-800-490-0045**

Metro NY: **911 and 1-718-643-4050**

Upstate NY: **911 and 1-800-892-2345**

Electric emergencies:

New England **911 and 1-800-465-1212**

Upstate New York **911 and 1-800-867-5222**

Real-world, user-friendly training that can save precious minutes – and lives.

The thorough, no-nonsense curriculum was designed with the help of experienced fire chiefs, safety experts and first response instructors.

Take advantage of this fully remote learning opportunity. The course is modular, and can be done a step at a time, as your busy schedule permits.

Get started today!

1. Register at firstresponder.ngridsafety.com.

Once you create your user ID and password, you'll be able to access all the e-learning modules and resources.

2. Complete the course at your own pace, on your own schedule. Begin your utility safety training, one module at a time.
