## First Responder Utility Safety Training Program

**Teamwork. Trust. Training.**

Keep yourself, your team and the public safe.  
Register and start your online training today at  
[firstresponder.ngridsafety.com](https://firstresponder.ngridsafety.com).

“Natural gas and electrical safety is an essential part of our training curriculum. National Grid’s interactive training website is an outstanding resource for first responders. It not only provides the necessary information; it lays it all out in a concise self-study program that’s easy to complete.”

Mark W. DiFronzo  
Fire Chief, Upton Fire-EMS Department, Upton, MA

Learn how to safely manage natural gas or other utility-related emergencies.

### First Responder e-Learning Program

Our program was designed with first responders, for first responders. Complete both courses of study:

- Natural Gas Safety Training Certification
- Electrical Safety Training Certification

Each program was designed to have multiple modules that are self-directed, interactive and instructive for safely identifying and responding to utility incidents.

## Get started today!

1. Register at [firstresponder.ngridsafety.com](https://firstresponder.ngridsafety.com).

Point your phone’s camera at or scan this code to visit [firstresponder.ngridsafety.com](https://firstresponder.ngridsafety.com).

Once you create your user ID and password, you’ll be able to access all the e-learning modules and resources.

2. Complete the course at your own pace, on your own schedule. Begin your utility safety training, one module at a time.
