## First Responder Utility Safety Training Program

**Teamwork. Trust. Training.**

Keep yourself, your team and the public safe.  
Register and start your online training today at  
[firstresponder.ngridsafety.com](https://firstresponder.ngridsafety.com).

“ This job requires continual study and learning to stay on top of every possible situation. National Grid’s utility safety training provides the tools and the confidence to keep firefighters and others safe in natural gas and electrical emergencies. ”

Chief Instructor Robert Hughes  
Nassau County Fire Service Academy, Old Beth Page, NY

To report emergencies, call 911 and National Grid immediately.

#### In case of gas emergencies:

**Massachusetts** 911 and 1-800-233-5325

**Rhode Island** 911 and 1-800-640-1595

#### New York

Long Island and the Rockaways: 911 and 1-800-490-0045

Metro NY: 911 and 1-718-643-4050

Upstate NY: 911 and 1-800-892-2345

#### In case of electric emergencies:

**New England** 911 and 1-800-465-1212

**Upstate New York** 911 and 1-800-867-5222

Get the training you need to safely and confidently respond to natural gas or electrical-related hazards.

#### First Responder e-Learning Program

Successfully complete your training, and you’ll receive a certificate of completion for your files. The program may also serve to satisfy your department’s utility safety training requirements.

The interactive e-learning environment is quick and easy to navigate, and gives you helpful tools to enrich your learning experience, including:

- Visual aids to provide context and increase understanding
- Interactive definitions of important terms
- Frequent knowledge checks
- Handy user notes
- Supplemental resources to reinforce the lesson material

## Get started today!

1. Register at [firstresponder.ngridsafety.com](https://firstresponder.ngridsafety.com).

Point your phone’s camera at or scan this code to visit [firstresponder.ngridsafety.com](https://firstresponder.ngridsafety.com).

Once you create your user ID and password, you’ll be able to access all the e-learning modules and resources.

2. Complete the course at your own pace, on your own schedule. Begin your utility safety training, one module at a time.
