“ This job requires continual study and learning to stay on top of every possible situation. National Grid’s utility safety training provides the tools and the confidence to keep firefighters and others safe in natural gas and electrical emergencies. ”

Robert Hughes
Chief Instructor, Nassau County Fire Service Academy, Old Bethpage, New York

To report emergencies, call **911** and National Grid immediately. Always call **911** if you suspect a gas leak!

In case of gas emergencies:

Long Island and the Rockaways:
911 and 1-800-490-0045

Metro New York:
911 and 1-718-643-4050

Upstate New York:
911 and 1-800-892-2345

Massachusetts:
911 and 1-800-233-5325

In case of electric emergencies:

Upstate New York:
911 and 1-800-867-5222

Massachusetts:
911 and 1-800-465-1212
