First Responder Utility Safety Training Program

Be ready to respond to the “silent killer.”

Keep yourself, your team and the public safe.
Register and start your online training today at
firstresponder.ngridsafety.com.

“ This program represents a strong commitment by National Grid to provide critical information to first responders. The website is an interactive resource that equips first responders with electric and natural gas safety information that can make a real difference on the incident scene. ”

Brian P. Duggan
Veteran commander, Northampton and Northborough Fire Departments, Massachusetts

To report emergencies, **call 911** and National Grid immediately.

In case of gas emergencies:

Massachusetts 911 and 1-800-233-5325

New York

Long Island and the Rockaways: 911 and 1-800-490-0045

Metro New York: 911 and 1-718-643-4050

Upstate New York: 911 and 1-800-892-2345

In case of electric emergencies:

Massachusetts 911 and 1-800-465-1212

Upstate New York 911 and 1-800-867-5222

Get the knowledge and skills you need to recognize and respond to carbon monoxide incidents.

First Responder e-Learning Program

You'll start with the basics of how to safely manage natural gas and electrical emergencies and then move onto response tactics. For example, how to respond to carbon monoxide events and natural gas leaks, and safety measures for downed power lines.

Get started today!

1. Register at firstresponder.ngridsafety.com.

Point your phone's camera at or scan this code to visit firstresponder.ngridsafety.com.

Once you create your user ID and password, you'll be able to access all the e-learning modules and resources.

2. Complete the courses at your own pace, on your own schedule. Begin your utility safety training, one module at a time.
