104 Bridge Road
Salisbury, MA 01952

Be ready to respond to the “silent killer.”

Accidental carbon monoxide poisoning kills over 400 people and causes about 50,000 people to visit the emergency room every year in the U.S.

Get the knowledge and skills needed to recognize and respond to CO incidents.

First Responder e-Learning Program

Our program was designed with multiple modules that are self-directed, interactive and instructive for safely identifying and responding to utility incidents.
