First Responder Utility Safety Training Program

Equip your team with knowledge.

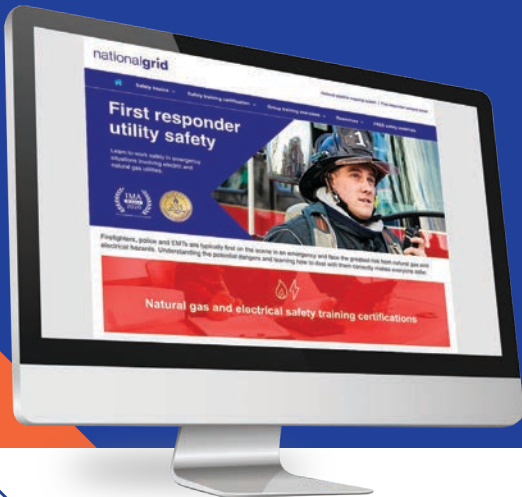

Keep yourself, your team and the public safe.
Register and start your online training today at
firstresponder.ngridsafety.com.

“ This job requires continual study and learning to stay on top of every possible situation. National Grid’s utility safety training provides the tools and the confidence to keep firefighters and others safe in natural gas and electrical emergencies. ”

Robert Hughes
Chief Instructor, Nassau County Fire Service Academy,
Old Bethpage, New York

To report emergencies, **call 911** and National Grid immediately.

In case of gas emergencies:

Massachusetts 911 and 1-800-233-5325

New York

Long Island and the Rockaways: 911 and 1-800-490-0045

Metro New York: 911 and 1-718-643-4050

Upstate New York: 911 and 1-800-892-2345

In case of electric emergencies:

Massachusetts 911 and 1-800-465-1212

Upstate New York 911 and 1-800-867-5222

Get the knowledge and skills you need to recognize and respond to natural gas or electrical-related emergencies.

First Responder e-Learning Program

The thorough, no-nonsense curriculum was designed with the help of experienced fire chiefs, safety experts and first response instructors. The course is modular, and can be done a step at a time, as your busy schedule permits.

Get started today!

1. Register at firstresponder.ngridsafety.com.

Point your phone’s camera at or scan this code to visit **firstresponder.ngridsafety.com**.
