

First Responder Utility Safety Training Program

Prepare today for tomorrow's emergencies.

Learn how you and your team should respond to an emergency when the primary source or contributing factor involves natural gas or electricity.

The course is modular, and can be done a step at a time, as your busy schedule permits.

Get started today!

1. Register at firstresponder.ngridsafety.com. Once you create your user ID and password, you'll be able to access all the e-learning modules and resources.
2. Complete all e-learning modules and receive a certificate of completion that may serve to satisfy your department's utility safety training requirements.

Register now

Register today and complete your **FREE** e-learning at firstresponder.ngridsafety.com.

“ This program represents a strong commitment by National Grid to provide critical information to first responders. The website is an interactive resource that equips first responders with electric and natural gas safety information that can make a real difference on the incident scene. ”

Brian P. Duggan

Veteran commander, Northampton and Northborough Fire Departments, Massachusetts

To report emergencies, call **911** and **National Grid** immediately. Always call **911** if you suspect a gas leak!

In case of gas emergencies:

Long Island and the Rockaways:
911 and 1-800-490-0045

Metro New York:
911 and 1-718-643-4050

Upstate New York:
911 and 1-800-892-2345

Massachusetts:
911 and 1-800-233-5325

In case of electric emergencies:

Upstate New York:
911 and 1-800-867-5222

Massachusetts:
911 and 1-800-465-1212
