Train to safely respond to utility hazards.

Designed with first responders, for first responders.

As first responders, you put yourselves on the line every day to protect lives and property. You are the first line of defense between utility-related hazards and the public. We are committed to serve those who serve our communities by continuously delivering the finest-quality **First Responder Utility Safety Training** to keep you safe.

- free, no-restriction first responder online training
- self-paced coursework accommodates busy schedules
- **new solar photovoltaic (PV) system modules and group training exercises**
- covers valuable utility incident response tactics
- satisfies department in-service training requirements
- certificates of completion when successfully completed

Keep yourself, your team and the public safe.
