### Train to safely respond to utility hazards and more

National Grid's First Responder Utility Safety Training is a comprehensive curriculum that's dynamic, easy to use and effective. Benefits include:

- free utility safety training with no restrictions
- self-paced coursework that accommodates busy schedules
- professional development to satisfy your in-service training requirements
- certificates of completion for your training files.

Be prepared. Register today for your FREE e-learning at [firstresponder.ngridsafety.com](http://firstresponder.ngridsafety.com).

“ The group training exercises featured on National Grid’s Utility Safety website are a handy, effective training tool – I wouldn’t change anything about them. They address some of the most common gas safety issues seen by the fire service, with clear operational guidance for responders. It’s great that they can be printed and used offline as well as on the computer. ”

– Safety Officer David Juron  
Westmere Fire Department,  
New York
