

## First Responder Utility Safety Training Program

### Real-world, user-friendly training that is never more than a click away.

Our thorough, no-nonsense curriculum was designed with the help of experienced fire chiefs, safety experts and first response instructors.

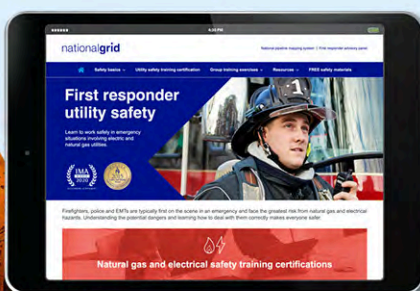

This course is modular in design, allowing you to continue training whenever your busy schedule allows.

### Get started today!

1. Register at [firstresponder.ngridsafety.com](https://firstresponder.ngridsafety.com). Once you create your user ID and password, you'll be able to access all the e-learning modules and resources.
2. Complete all e-learning modules and receive a certificate of completion that may serve to satisfy your department's utility safety training requirements.
