First Responder Utility Safety Training Program

**Equip your team with expert
natural gas training.**

Keep yourself, your team and the public safe. Register and start your online training today at firstresponder.ngridsafety.com.

“ This program represents a strong commitment by National Grid to provide critical information to first responders. The website is an interactive resource that equips first responders with electric and natural gas safety information that can make a real difference on the incident scene. ”

Brian P. Duggan
Veteran commander, Northampton and Northborough Fire Departments, Massachusetts

To report emergencies, **call 911** and National Grid immediately.

In case of gas emergencies:

Massachusetts 911 and 1-800-233-5325

New York

Long Island and the Rockaways: 911 and 1-800-490-0045

Metro New York: 911 and 1-718-643-4050

Upstate New York: 911 and 1-800-892-2345

In case of electric emergencies:

Massachusetts 911 and 1-800-465-1212

Upstate New York 911 and 1-800-867-5222

Learn how to respond to incidents involving utility-related hazards. Each module provides critical guidance on hazard awareness, response tactics and more.

First Responder e-Learning Program

A FREE, self-paced training program designed to teach you to recognize and respond to the potential dangers that arise from utility-related hazards.

Get started today!

1. Register at firstresponder.ngridsafety.com.

Point your phone's camera at or scan this code to visit **firstresponder.ngridsafety.com**.

Once you create your user ID and password, you'll be able to access all the e-learning modules and resources.

2. Complete the courses at your own pace, on your own schedule.

Begin the utility safety courses, one module at a time.
