Know what's below.
811 before you dig.

Enroll today and learn to:

- ▶ **Dig safely around natural gas pipelines:** Help prevent dangerous incidents with essential safety practices.
- ▶ **Protect your crew and equipment:** Mitigate potential risks and avoid costly accidents and project delays.
- ▶ **Earn a safety certificate*:** Show your commitment to safety with a certificate of completion.
- ▶ **Access flexible, self-paced learning:** Access the course on your schedule anytime, anywhere.
- ▶ **Gain real-world expertise:** Gain knowledge from local excavators and safety professionals.

*This course is not part of New York's required Excavator Training offered by the state's One Call centers.

**Smell Gas. Act Fast.
Be the one to call 911.**

For gas emergency service 24 hours a day, 7 days a week, call:

Massachusetts

911 and 1-800-233-5325

New York

Long Island and the Rockaways:

911 and 1-800-490-0045

Metro New York: 911 and 1-718-643-4050

Upstate New York: 911 and 1-800-892-2345

Anyone can be the one who calls 911 and reports a potentially dangerous natural gas situation.
