

First Responder Utility Safety Training Program

Two courses. One goal: protect lives.

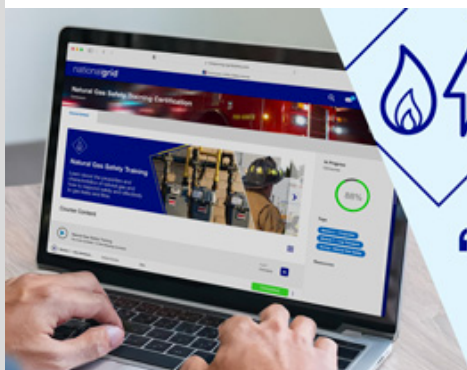

As a first responder, you're often the first line of defense. Preparation is key. Our FREE online safety courses help you respond quickly and safely to emergencies involving natural gas and electric utilities.

Get started today!

1. **Register at firstresponder.ngridsafety.com.** Once you create your user ID and password, you'll be able to access all the e-learning modules and resources.
2. **Complete all e-learning modules and receive a certificate of completion** that may serve to satisfy your department's utility safety training requirements.

What are other first responders saying about the program?

“Highly informative and has helped me refresh on my response to these types of incidents.”

“Excellent courses. All first responders should take this program. Very comprehensive and easy to understand.”

To report emergencies, **call 911** and **National Grid** immediately. Always **call 911** if you suspect a gas leak!

Know what's below.
811 before you dig.
