

First Responder Utility Safety Training Program

Stay ahead of utility emergencies.

The best time to prepare for a natural gas or electrical incident is before it occurs. Our FREE online courses guide you through real-world response steps so you can act quickly, confidently and safely when every second counts.

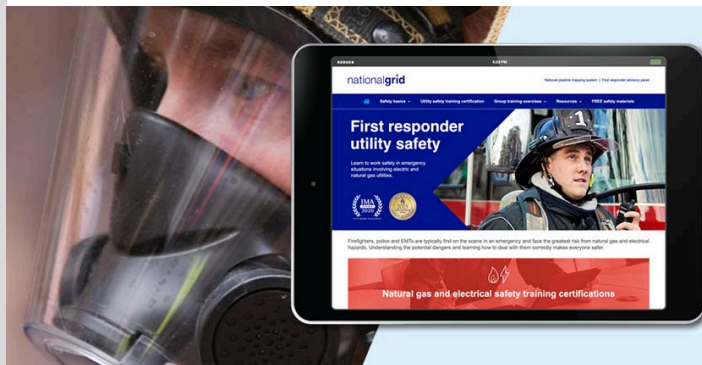

Take the training now to protect yourself and your team.

Get started today!

1. **Register at firstresponder.ngridsafety.com.** Once you create your user ID and password, you'll be able to access all the e-learning modules and resources.
2. **Complete all e-learning modules and receive a certificate of completion** that may serve to satisfy your department's utility safety training requirements.
